

35. Contractor Performance Measures

35.1 Summary

The Contractor Performance Measures screen (Figure 35.1) has eight (8) fields pertaining to the percent of CPM monitors assigned and the percent of joint agreements. Also present on the screen are two automatically populated fields.

Information about the Menu Bar and Tool Bar options is found in Sections 5.3 and 5.4, respectively. Section 8 tells more about entering information into the data boxes. Section 9 explains how to exit.

Note: Numbers in data boxes indicate corresponding section numbers.

35.2.1 Contractor Performance Measures Fields

The number in parentheses at the end of each field description refers to the corresponding section number in the *DCMC Metrics Guidebook*.

35.2.1.1 CAOs with C/S Requirements

Enter the quantity of contract administration offices that have one or more contracts on-hand at the end of the report period that contain Cost/Schedule Control System Criteria (C/SCSC) or Cost/Schedule Status Report (C/SSR) requirements. *NOTE: Enter a 1 in the worksheet cell if one or more qualifying contracts are on hand at the end of the period. Do **not** report the quantity of contracts.*(3.12.1a)

35.2.1.2 CAOs with CPMMs Assigned

Enter the quantity of contract administration offices that have a Contractor Performance Measurement Monitor (CPMM) assigned at the end of the report period. *NOTE: Enter a 1 in the field if a CPMM was on-board at the CAO on the last day of the report period.* (3.12.1b)

35.2.1.3 CPMMs Certified

Enter the quantity of CPMMs who are certified in the CPM Career Track of Business, Cost Estimating, and Financial Management (BCEFM) career track at Level II or above who are on-board at the contract administration office on the last day of the report period. (3.12.1.1a)

35.2.1.4 C/S Contracts Received

Enter the quantity of contracts received by the contract administration office during the report period which contain Cost/Schedule (C/S) data reporting requirements. (3.12.1.2a)

35.2.1.5 C/S Contracts Received with Reporting Requirements Below CWBS Level Three

Enter the quantity of contracts received by the contract administration office during the report period which contain an average C/S data reporting level specified in the Contract Work Breakdown Structure (CWBS) below level 3. (3.12.1.2b)

35.2.1.6 C/S Contracts Received with Variance Analysis Reporting Based on Arbitrary Thresholds

Enter the quantity of contracts received by the contract administration office during the report period which contain variance analysis reporting based on arbitrary thresholds. (3.12.1.3a)

35.2.1.7 Contractors with C/S Requirements

Enter the quantity of contractors under the cognizance of the contract administration office at the end of the period that have one or more contracts that contain C/SCSC or C/SSR requirements. (3.12.2a)

35.2.1.8 Contractors with Agreements

Enter the quantity of contractors under the cognizance of the contract administration office at the end of the report period that have an advance agreement in place for joint contractor/DCMC/DCAA surveillance of their cost and schedule system. (3.12.2b)
